

# ISPU AT ISNA 2017

## MOSQUE MOBILIZATION IN THE CURRENT POLITICAL CLIMATE

SATURDAY, JULY 1, 1:30-2:30 P.M.

ISPU's second report in the "Reimagining Muslim Spaces" series presents a case study of the Muslim Community Association (MCA). MCA, on its own or in partnership with organizations such as the Council on American-Islamic Relations (CAIR), regularly hosts events and activities focused on involving Muslims in the civic life of America. Join ISPU to learn about short- and long-term strategies and tools to educate and mobilize our mosque communities to respond to Trump-era politics with civic engagement. **Panelists:** Sarah Buageila (Moderator), Alia J. Bilal, Zahra Billoo from CAIR
