

ISPU at ISNA CON 2019

The Power to Strengthen Our Democracy

SUNDAY, 2:00–3:15 PM

“The cornerstone of democracy rests on the foundation of an educated electorate.” This quote from Thomas Jefferson highlights the superpower of everyday Americans—to vote based on the facts. In this session, ISPU Director of Research **Dalia Mogahed** will share new data from American Muslim Poll 2019 related to civic engagement among American Muslims. We’ll offer data-driven recommendations to help transform American Muslim citizens into civically engaged and politically impactful participants.
